VST Cafe releases Greeg Genesis CM Soundset

Mar 24, 2009

VST Cafe has released the [Greeg Genesis CM Soundset](#), a free collection of patches for the Genesis CM synth.

Grzegorz writes:

Well, it's pretty late so it'll be short :) Here's my latest sound bank called – Greeg Genesis CM Soundset. It contains 49 presets (Basses, Leads, Pads, Sfx, Pluck sounds) for Genesis CM synth – mostly trance and "analogue" stuff. Genesis CM is exclusively available with every issue (since CM127) of Computer Music Magazine. You can find more info about Genesis CM [here](#)
